8am – 1pm

Includes 30 minute test

Yolo County Farm Bureau

69 W Kentucky Ave, Woodland, CA 95695

Sponsored by : Yolo County Farm Bureau

The curriculum for the workshop is intense and a closed-book exam will be administered immediately following the Training. The attendee must pass the exam with a score of 70% or higher. After passing the exam, the certification is valid for 3 years.

Members who have already received their Self-Certification may attend the 4-hour Training (without taking the test) for one continuing education unit.
